If you can save **PLASTIC BOTTLE CAPS / jar lids (not metal), pizza box table and CORKS** for me, that would be awesome!!! Going to use them in a school wide social/environment friendly art project.

## My Mission Statement:

To use my creativity, experience and passion to inspire and lead every student who may ever cross my path.

To always encourage creative self-expression. To model self-respect and RESPECT for others.

To teach it's ok to make mistakes. To nurture confidence and desire to be creative and create.

To appreciate art. To understand not all students will be GREAT artists... but all students can create GREAT art.

Ultimately to be the best Art Teacher I can be.
